Pleasant Valley Fire District
District Policy

Active Member Requirements

To be an Active Member of the Pleasant Valley Fire District, annually a member must:

- Receive an annual physical examination by the district's medical provider or submit the district approved form from your personal physician.
- Must respond to a minimum of thirty (30) Pleasant Valley Fire District (Fire and/or EMS) alarms per year.
- Must attend four (4) Pleasant Valley Fire District drills a year and complete New York State Best Practices.
- Between January 1st and December 31st, must complete all annual required training (online and/or in person) as directed by the Board of Fire Commissioners and assigned by the fire district Training Committee.
- Must attend one (1) annual "Mass Training Day" session.
- Must attend four (4) monthly meetings of your respective company and one (1) quarterly district meeting. (Doesn't apply to active Commissioners and Chiefs)
- Must participate in three (3) fund raising activities of your respective company.
- Must attend four (4) work details.

Failure to meet these annual requirements will result in you being required to meet with a District review board at the last Pleasant Valley Fire District workshop meeting in December.

NOTE: This is **NOT** the LOSAP requirements. LOSAP requirements require a member to be an Active Member and respond to a total percentage of fire or EMS calls per year to receive points.
